Dear Alex,

After reviewing several episodes of “Biz Kid\$ Young Entrepreneurs,” I find this exceptional program a “must-see” television experience for all children, especially targeting 13 to 16-year-olds. I believe the program’s content meets the FCC’s educational and informational requirements for its Children’s Programming E/I Act. The series offers teenage viewers practical advice and information on a wide variety of financial, business and monetary topics. The episodes include teens starting their own businesses, showing how to properly manage money, creating budgets and financial goals—all important steps in learning to become responsible adults and citizens. I highly recommend “Biz Kids\$ Young Entrepreneurs” to television stations who want to enhance the quality of their programming.

Sincerely,
